Finmeccanica: rescheduling of Financial Calendar for 2014

Finmeccanica informs that, as partial amendment to the Financial Calendar released on 20 December 2013, the Board of Directors' Meeting to approve the Results for the First Quarter 2014 will be held on Tuesday, 6 May 2014 (instead of Wednesday, 7 May 2014).

Finmeccanica is Italy's main industrial group, leader in the high technology field, and ranks among the top ten groups at world level in the Aerospace, Defence and Security sectors. Listed on the Milan Stock Exchange (FNC IM; SIFI.MI), with revenues of approximately 16 billion Euro, about 64,000 employees, 150 operating and commercial locations and 345 production facilities in 50 different countries world-wide, Finmeccanica is an international and multicultural group with an important presence in its four domestic markets: Italy, United Kingdom, the United States and Poland. Finmeccanica's success is based on its technological excellence, which springs from conspicuous investments in Research & Development (amounting to 12% of the revenues), and the constant efforts it makes to develop and integrate the skills, know-how and values of its operating companies. Finmeccanica is active in the following sectors: Helicopters (AgustaWestland), Defence Electronics and Security (Selex ES, DRS) and Aeronautics (Alenia Aermacchi) – which represent its core business – and it is also well positioned in the sectors of Space (Telespazio, Thales Alenia Space), Defence Systems (Oto Melara, WASS, MBDA) and Transportation (Ansaldo STS, AnsaldoBreda, BredaMenarinibus).
