PRESS RELEASE

## **Finmeccanica Press Release**

Rome, 28 January 2016 – With reference to the Helicopter Sector, Finmeccanica expects to close 2015 with annual revenues of Helicopters substantially in line with good results achieved in 2014 and profitability (Ebita margin) in line with 2014, despite a reduction in the contribution of oil and gas.

Finmeccanica confirms the Group's 2015 Guidance previously communicated.
